## PYRENEES BIKE HOTEL

More than a hotel, Pyrenees Bike Hotel is a concept for all: families, friends, groups, beginners and professionals alike.

Our highly qualified and motivated team is the partner you are looking for in the Pyrenees, helping you to discover our region and its mythical climbs.

We offer more than 70 MTB tracks accessible to all types of bikes, including 20 climbs for road bikes, and 3 downhill slopes for the more advanced biker.

## **CONCEPT : « PYRENEES BIKE HOTEL » the guarantee of quality service for all cyclists**

« Pyrénées Bike Hôtel » is a concept developed by an enthusiastic and motivated team of experts who know and understand the needs of cyclists whether they are on holiday, on training courses, taking part in races or on a cycling holiday of discovery.

In addition to providing the facilities of a quality hotel, we offer you a premium service focused on cyclists ; itineraries adapted to your level, from leisurely cycle rides for relaxation to more challenging rides accompanied by experienced guides.... and much more...

In order to ensure that we continue to provide top quality service to all cyclists, local independent experts regularly check our services and help us to evolve our concept.

### **The specialised service for the cyclists of the Hotel Alba.**

- **Personal welcome** Welcome kit including route maps , TIMTOO timing tag for the ascension of selected climbs.)
- **Private outdoor secure carpark** for accompanying vehicles, coaches & assistance vehicles.
- **9 secure, private garages for bikes:** equipped with a common changing room
- **Repair Workshop:** for the daily maintenance of your bike  
This includes an air pump with compressor
- **Bike wash station:** A Karcher power washer (with adjustable water pressure) is available in our private car park for washing your bikes
- **Training room:** warm-up bikes available
- **Itineraries** brochures, maps of the area, cycling routes for all levels (beginners to advanced), for road bikes, mountain bikes & downhill bikes are all available

– Diet :

Specially tailored to cater for the nutritional needs of cyclists. Packed lunches are also available for full-day outings.

Different types of stays are proposed (bed & breakfast, half-board, full-board)

– Laundry service:

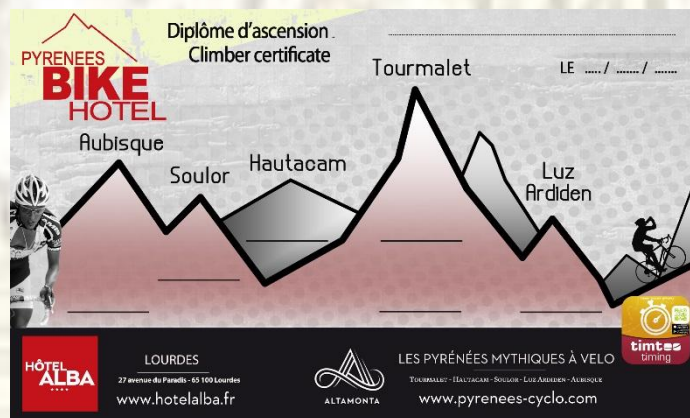

Washing of cycling gear etc (*daily service*) \*

– For non-cycling family and friends

We provide information and suggestions for exploring Lourdes and the surrounding area for those accompanying the cyclists

– Mountain biking diplomas:

On request, a nominal diploma is given to each client who successfully cycles the mountain passes and who has used the TIMTOO stopwatch.

– Daily information/updates

Weather forecast and information about the accessibility of mountain passes

\* billed separately
